

# LIVING WATERS

Living Waters is an in-depth, Christ-centered program for people seeking healing for all types of relational and sexual brokenness.

This course is offered annually for 21 weeks, starting in the fall. Each meeting includes worship, teaching, and extended times of healing prayer. The course is designed to help participants work through past pain that is still impacting their lives today.

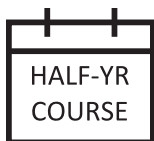

The curriculum, materials, and leader training are provided by our partner ministry, Desert Stream Ministries. This ensures consistency across groups, and trust, safety, and confidentiality within our group.

All participants must first complete an introduction meeting with a ministry staff member and complete the Foundations course before the course starts. This is a closed group; once it begins, no new participants will be accepted for that year's program.

There is a fee to attend the course, to cover the cost of materials and supplies. Scholarships and payment plans are available.

For more information and to schedule your meeting, call the office at 763-592-4700 or email [outpostinfo@outpostministries.org](mailto:outpostinfo@outpostministries.org).
